DUANE'S WORLD

Last month I remember writing that it was the middle of October, and it still felt like summer. Now, a little over a month since I made that comment, it has changed! I'm sitting here waiting for the wind to die down and for two trees in our backyard to finish dropping leaves, so I can go out for a final cleanup.

We have another Branson trip under our belts. The one we got home from a couple of weeks ago was our 13th. For close to 10 years we have been going down to take in all the activities during Veterans' Week. The highlight this year was when we won two tickets to attend the Lee Greenwood concert. Branson has a big section set apart at the ballpark for their Veterans' Village. The Village consists of 4 large rooms including 2 for Veterans' merchandize, hats, jackets, VA information, books, etc. and a day room where you can go to have coffee & donuts and listen to a group of musicians playing country music all day. The last room is the mess hall where Vets can have a free lunch every day and \$10.00 for spouses. We stopped in for lunch one day, and they gave us a ticket for a drawing. It turns out that the tickets were for Lee Greenwood, and we won! We also found out that these tickets were worth \$153.00 each! Lee is 82 years old, and we expected an old guy to come out, sing a couple of songs and then let other acts take over. Wrong! Lee looks like he is in his 60's and sang for an hour and a half with no break. He is also very good when he picks up a saxophone or plays the keyboard. He has a lot more energy than I do, and I'm 4 years his junior. I guess we would have to say that that experience was the highlight of our trip, although Rose would say that our stop at Pete & Jake's (See page 7) was the highlight for me.

Speaking of fun times, everything is pretty much set up for the Club Christmas party on December 6. Karen Keenan reports that over 60 people have already signed up to go. See page 3 for some last minute instructions on how to join the fun. Again, I'm also adding the TSS profit allotment guidelines on page 9 for your consideration. By the time you get this, Thanksgiving will be over, and we hope you had a good one. Remember, because of the holidays, there is no meeting in December. If we don't see you at the Christmas party, have a Merry Christmas and a Happy New Year! Otherwise, we'll see you out there, somewhere. DB

BUCKET LIST ITEM: SIT IN THE “CALIFORNIA KID” (DONE, CHECK IT OFF!)

I admit that my bucket list might be a little different than yours. Oh, okay, maybe a lot different! But I just had a chance to fulfill an item that a lot of car guys might have on their list. I saw the famous “California Kid” car in person! Now some of you might not be familiar with the “Kid,” but it was the star of the 1974 film (along with Martin Sheen) of the same name. The “Kid” is owned by the folks that have Pete & Jake’s Hot Rod Shop in Missouri. We learned that the shop was right on our way to Branson, MO. On Tuesday, November 12, on our way home from Branson and Veterans’ Week, we stopped in to look around, and the folks there were very nice! They even asked me if I would like to sit inside the car, and I replied, “I can do that?!” with eyes as big as saucers! In the store they have a very large collection of car club plaques mounted on the wall, and I said I would send one of our plaques to add to their collection. At our last meeting I was given permission to give them one from our inventory and Club member Steve (Sully) Sullivan graciously donated his plaque that was recently painted by J.T. Taylor, and the Club gave Sully another plaque to be painted by J.T. Thanks, guys!

It was well worth our while to make a stop there. The showroom had a lot to look at, and they even took us next door to see the chassis and Super Bell axle shop. Pete & Jake’s is just south of Kansas City on Hwy 71 in Peculiar, Missouri. (We still don’t know how Peculiar got that name.)
