DUANE'S WORLD

Making use of this new technology, I am writing this from our hotel room in Marquette, Michigan, which happens to be my hometown. We came up last week to be at my 60th high school reunion over the weekend. My reunion went well, and once again I was asked to take our class photo that turned out pretty well. I was happy to be back home, but I certainly didn't realize I graduated with so many old people! Offshore from Marquette, on Lake Superior, are three rocky islands named "Picnic Rocks." On the third

rock is a flat area which is perfect for painting the year of your school class that is having a reunion. For 60 years we have had a Rock Squad that went out in the wee hours of the morning to paint 5' high "64" numbers. I am seen with the rock in the background. Years ago we routinely swam out to the rocks but changing undertows and currents have made it extremely dangerous to do so. After several drownings, it is strictly prohibited to swim out there. The 78 year old Rock Squad guys go out in a canoe or small boat. One of the highlights of our reunion is hearing the Rock Squad relate what they had to do to complete

the mission. It's hilarious! The class of '69 has a reunion, and we're wondering if our "64" will last!

Our cruising season is in full swing, and we have several Club mini-shows already completed with more to come. Ron Willson has booked 12 shows, this year, for us to enjoy, and our car count has been very impressive! Also, our big show of the year, the Summer Spectacular is now history, and from what I have heard, it was another good one! A big thanks to Steve Brehm, Craig Duntley, and all our volunteering members for all the work to make this event a success. We will now have an after-show meeting to discuss how the day went, and what will happen to our event in the future.

Here I am working on the September issue of the Cruz News and wondering where the summer went. In my opinion, the best weather for our remaining car events is yet to come. So, here's hoping that we see you out there, somewhere! DB Photo by our secretary, Rose Barclay

934TH AIRLIFT FAMILY DAY - SATURDAY, AUGUST 3, 2024

A group of Southern Cruzers caravanned to the 34th Avenue gate to spend the day with some of the folks in charge of keeping our country safe. There was plenty to take in, including many veteran's booths with plenty of free stuff to take home! An air force C-130 plane was parked on the tarmac, and it gave us a new appreciation for the hardships these people face getting their mission done. (Not many amenities on this baby!) If you left the event hungry, it was your own fault. Food was plentiful! Thank you to the 934th Airlift for letting us share your day.

Congratulations to club member, Rick Delmonico, for taking first place with his Olds Cutlass Supreme. Thank you to Jim Neher for running another fine show! Editor photos
